

To Anyone Entering/Returning to Japan

* Fast Track is available for arrivals entering from Narita International Airport, Haneda Airport, Chubu Centaur International Airport, Kansai International Airport, Fukuoka Airport

You can use an app to complete some quarantine procedures before you enter Japan.

Fast Track: Use it to speed up quarantine procedures

Quarantine procedures upon arrival at the airport could still take some time due to congestion, even if you have registered in advance via Fast Track. Your understanding is appreciated.

Yellow
screen

You may choose not to upload your COVID test result if you intend to submit it in paper format upon arrival at the airport.

The screen will change to yellow after you have finished registering your questionnaire, Pledge, and vaccination certificate and the review has been completed. Please show the yellow screen and your test certificate (paper version, etc.) at the quarantine station.

※ The registration review process can take some time. Please check the website for details.
